Re: 2011 Street Reconstruction Program

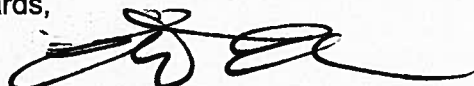

The Department of Public Works opened bids for our 2011 Street Maintenance Program on February 14, 2011. The lowest qualified bidder was Frank W. Whitcomb Construction Corporation with a bid of \$1,958,210.93. This work includes approximately **19,541 tons of asphalt, 54,342 square yards of asphalt grinding, 90,076 square yards of asphalt reclamation and 671 structure adjustments.** This work is to be performed starting this spring 2011 and will be completed by October 21, 2011.

FW WHITCOMB	\$1,958,211
PIKE	\$2,229,336
SD IRELAND	\$2,235,883
KUBRICKEY	\$2,294,867
AC PAVING	\$2,475,548

DPW Engineer's Estimate \$2,560,126

DPW would like to recommend Frank W. Whitcomb Construction Corporation as this year's paving contractor and allow Steve Goodkind to enter into a construction contract with FW Whitcomb. The funding for this work will come directly from the Street Capital Program's funding of 2.7 million for the third year of the newly increased paving funding. If you have any questions please do not hesitate to contact me.

Regards,

Erin L. Demers, E.I.T.
